Mukhtorjon Moydinov

Aspiring software engineer · Tashkent, Uzbekistan · +998 94 293 77 81 · mmoydinovedu@gmail.com · ScoutAI on GitHub

Software engineer who ships: led a team of 4 to build Syndicate's MVP and created ScoutAI, an open-source AI tool. SAT 1600, A* in A Level Maths and Computer Science, C++ track at School 21, and a competitive programmer with a national-level track record.

Projects & hackathons

Syndicate – Founder & Lead Developer, Jul 2026 – present

- Social-accountability to-do app where groups keep each other on track.
- Led a team of 4 to build the MVP.

ScoutAI – Creator & Developer, Aug 2026 – present (source code)

- Open-source AI tool that scans Telegram channels and surfaces opportunities for students.

Tech Avengers – Co-founder & Competitive Programmer, 2024 – 2026

- Co-organized 5+ national competitive programming contests for 150–200 participants across 6 regions.

Research & experience

Research Assistant & Independent Author – Central Asian University AI Lab, Tashkent, Sep 2026 – present

- Designed questionnaires for Dr. Manzoor's study measuring university students' stress.
- Authored a narrative review on mHealth and academic stress (Zenodo).

Research Assistant – New Uzbekistan University (with Dr. Eshboev), 2025

- Reviewed AI/ML tools for drug discovery, including AlphaFold and DeepChem.
- Analyzed 10+ research papers on how effective these tools are.

Operations Intern – Future Green Industry, Andijan, summers 2024 and 2025

- Coordinated setup of a 500 m² greenhouse.

- Replaced paper logs with an MS Access database, saving ~10 hours per week.
- Compared supplier quotes to cut costs by ~6%.

Physics Peer Tutor – Presidential School in Andijan, 2024 – 2025

- Tutored 12 IGCSE Physics students; all reached A*/A with ~25% average score gains.

Education

School 21 – Tashkent, Aug 2026 – present

- Teacherless, peer-to-peer IT school on the 42 model; C++ developer track.
- Passed the selective 2-week intensive and completed 14 projects in C, Git and Bash.

Presidential School in Andijan – 2021 – 2026, GPA 4.88/5

- Cambridge A Levels: Mathematics A*, Computer Science A*, Physics A. Self-studying Further Mathematics and IT for the May–June 2027 exams.
- SAT 1600; IELTS 8.0 (Listening 9, Reading 9, Writing 7, Speaking 6.5).
